

## DRYWALL

When you design a space every element contributes to the performance— even the drywall. Whether it's creating healthier spaces with walls that clean the air, more restful spaces with walls that control sound, or spaces where durable walls can handle anything, we know walls matter. Nelson Lumber supplies innovative drywall solutions that enhance occupant comfort and create better environments for healthy living.

**OVER  
1 MILLION** SQ.FT.  
OF DRYWALL DELIVERED  
ACROSS ALBERTA EVERY YEAR

1. **FAST DELIVERY**
2. **COMPETITIVE PRICING**
3. **QUALITY PRODUCTS**

## STEEL

Nelson Lumber offers both residential and commercial steel solutions. Steel provides a non-combustible building material that meets and exceeds all building code requirements. Nelson Lumber supplies various steel products that include: studs, beams, and structural steel components.

### • **RESIDENTIAL STEEL**

Light gauge 18MIL- 33MIL materials designed to build interior walls.

### • **COMMERCIAL STEEL**

Structural 33MIL - 97MIL products designed for both interior and exterior projects.

## INSULATION

Nelson Lumber supplies industry leading insulation products for both residential and commercial insulation solutions. Ranging from attics, floors, and walls, our insulation products conserve energy and improve acoustics, fire resistance, and air quality in the spaces where people live, work, and play.

## ONE STOP SHOP INCREASING OVERALL PROJECT EFFICIENCY

The Nelson system of pre-planning virtually eliminates costly and time-consuming construction errors and material shortages or overages.
